

ROSS 2-IN-1 Ridge Vent®

The **Ross 2-IN-1 Ridge Vent** is a patented product with many design innovations. The Ross 2-IN-1 comes standard as a 12" but can be converted to fit 9" cap shingles, as well as 10" cap shingles, by scoring the underside groove opposite the cut break line on top of the vent. The Ross 2-IN-1 offers 84 Square Inches of Net Free Area and is **GREEN**.

❖ Converts from standard 12" to 10" or 9" ridge vent

❖ 84 Square Inches of Net Free Area per piece

❖ Closed External Baffle – less likely to collect debris

❖ Male/Female Connectors

❖ Suitable on any pitch from 2/12 to 16/12

❖ Self Closing End Caps

❖ Bag of 30 - 3" roofing nails attached to each piece

Ross Vents are **GREEN**
